Judges Critique :Mr Kevan Berry

Thank you for this great entry, I appreciated it. Some very promising youngsters on show today. I noticed that a few exhibitors stacking their dogs it's a pet hate of mine. If a dog is made right, it will stand naturally on its own. It's happening in a number of toy breeds these days.

PD (8, 0)

1 Roskell & Wood Nasabe Special Brew In Rahima a very promising puppy with a pleasing head, lean cheeks, dark expressive eyes, good ear set, clean neck and shoulders. A well-proportioned body. I noticed he had the desired thumb prints. A sound and confident moving puppy that should have a bright future

2 Dixon Lasagesse Dazed N'confused slightly larger puppy than winner that needs to settle into himself. Has a super head, correct ear set, long elegant neck with a well-balanced body, moving true both ways.

3 Wiles & Argint Vidra's Celtic Charmer

JD (5, 1)

1 Cadman & Jarvis Pippahouse Tiny Shaddow a well-balanced youngster, well-proportioned head, correct ear set. the darkest of eyes with lean cheeks. A well-balanced body and he displayed the correct movement.

2 Pevy & Leonard Witchstone Won't Be Silent By Richpin another very promising youngster

that lacks maturity on the day. Pleasing head with a long elegant neck. A great size, has much to admire.

3 Snell Neerodan Pepper Minty

PGD (7, 0)

1 Roskell Witchstone Silent Wish With Rahima JW a dog of ideal size and so well balanced throughout. I particularly liked his head and ear set. A good neck and shoulders and his brisk action on the move.

2 Keylock & Collins Lasagesse Paint It Black another useful example of the breed. Not quite as settled as the winner but has much to admire. A pleasant head, well set ears, rich bright tan with the darkest of eyes. Good body proportions

3 Howard Lasagesse Jumpin Jack Flash

LD (6, 1)

1 Partington-Palmer & Palmer Etruria Hear The Word An ideal size such a well-balanced dog.

He has a lovely head and a well-structured body. Rich tan and raven black jacket. Only 14 months and on another day could trouble the best.

2 Taylor Neerodan Faithful Fergus Again of correct size and with a very nice head. Well set on

ears, and dark expressive eyes. Good outline on the move but just needs to tighten up in front.

3 Snell Skin Deep's Mint Condition (Imp Nor)

OD (7, 0)

1 Imrie Ch Witchstone Black Hawk At Amalric JW Witchstone at its best. Fully mature dog that impressed me both standing and on the move. I've admired him in the past and today he stood out. Starting with his proud head carriage, correct ear set, long lean neck and shoulders. Super body proportions and so well-muscled throughout. He was at the top of his game and a worthy DCC & BOB

2 Forsythe & Pevy Kikuchi Hollywood Avec Richpin JW full of breed type and quality. True moving dog with a well-balanced body and nicely let down over the croup. A pleasing head, dark expensive eyes, lean cheeks, good neck and shoulders. Looks great on the move. He should make up. RDCC

3 Imrie Norris Amalric Butch Cassidy JW

VD (2, 0)

1 Francis & Blatchford Ch Witchstone Not Apache On Me For Peopleton VW he certainly displayed the lasting qualities of the breed and I could have very happily awarded him a cc. He's so well put together, has a wonderful head and a well-constructed body. He looked super on the move. BVIB

2 Howard Lasagesse Starman He was a good for size, has good ear set, dark appealing eyes and moved with style.

SBD (2, 0) 1st and 2nd looked well standing, they both were of good size and were in lovely condition. Neither of them moved well today. I just preferred the overall balance of the winner.

1 Shevchenko Ettology Making Mischief

2 Pendlebury Ettology Small Gods Of Pendlethrine

PB (6, 0)

1 Hall Spawood Proud Mary With Ghilgrange I felt her a clear winner, lovely head which was proudly carried on super neck and shoulders. A nicely proportioned body, good legs and feet. So confident on the move.

2 Jackson Dandytwweed Lily The Pink another very promising puppy with pleasing head and dark expressive eyes. Just not as forward as the winner.

3 Leonard Witchstone Limited Edition

JB (5, 2)

1 Dixon Lasagesse Kashmir a truly beautiful bitch. She has a lovely head, candle shaped ears with bright tan. She has the darkest of eyes, lean cheeks, long elegant neck and shoulders. Great body proportions, well-muscled throughout. Good legs and feet with correct fall over the croup. In good company she stood out BCC and matched the DCC well. BPIB

2 Imrie & Leonard Fera-Mitis Argante Of Avalon With Witchstone rather raw but of lovely breed type. Proud head carriage, bright rich tan. Built on graceful lines.

3 Reeve Gillings Chiffon Black

PGB (4, 1)

1 Dean-Armitt Twowayshouse Touch Of Class good for size, correct marking and with the

desired thumb prints. Long lean head, good ear placement, nice neck and shoulders. Good body proportions and a steady mover.

2 Jackson Dandytweed Lily The Pink repeat

3 Marsden Galvizach Royal Amethyst Of Regalriver

LB (6, 3)

1 Love Lasagesse Whole Lotta Love With Tettoy only 11 months old but sitting comfortably in

limit. Sister to the BCC winner I see, must have been a great litter. She has all the hallmarks of reaching the upper house with her beautiful head. She has dark appealing eyes, good ear set, rich tan and glossy black coat. Excellent neck and shoulders. She was eye catching on the move.

2 Whitehouse Amalric Coco Chanel With Dalmonde JW another lovely example of the breed.

She has a lovely head, clean neck and shoulders. Good body proportions and again very good on the move.

3 Inch Edalene Scoops Ahoy

OB (4, 0)

1 Haffenden & Wood Ch Nasabe Play The Game JW heading this class was this glorious bitch

of ideal size, ultra feminine head, graceful neck and shoulders and excellent body proportions. The correct fall over the croup added to her excellent movement and condition happy to award her the RBCC.

2 Inch Edalene Court And Spark JW another that didn't disappoint on close examination. Full of breed type and quality head with lean cheeks. Darkest of eyes that were well set, and correct ear set. Lovely rich tan and black coat gleaming and a pleasing picture on the move.

3 Leonard Witchstone Silent Prayer

VB (1, 0)

1 Inch Edalene Never Let Me Go VW 8 years old and in lovely condition. Ideal size, dark sparkling eyes and shown well.

SBB (4, 1)

Judges Critique : Roger Ward

I would like to thank the Crufts committee for inviting me to judge at this year's show and a big thank you to the exhibitors for their entries, many from the UK travelling some distances as well as overseas exhibitors who made an even longer journey with their dogs. Movement is still a bit erratic, but my main winners displayed the correct movement. It's also important that we don't lose the finer points of the breed, Thumb prints, Pencilling on the toes and the beauty spot under the chin which are missing more and more.

Thank you to those who entered. On the whole the dogs were in good physical condition and well muscled. Coats were mostly shiny and good for this time of year so hats off to the exhibitors, but one or two could benefit from teeth cleaning. The venue was noisy and cold which took its toll, not just in general, but from class to class which was unfortunate so places could change on another day

SPECIAL BEGINNERS (5) 1 Reeves's Gillings Chiffon Black Nice head on this young bitch. Nicely arched neck and good straight front. Well tucked up. Thumb prints present. Nice profile on the move. Moved well with good reach. Best Special Beginner 2 Kirkton's Wykewoks Mega Dawn Promising puppy shown in glossy condition. Nice head with good earset. Good straight front and well turned stifle, Moved well. Look forward to seeing her when she matures. 3 Pendlebury's Wykewoks Autumnal Sunset Of Pendlethrine

vd (3) 1 Francis & Blatchford's CH Witchstone Not Apache On Me For Peopleton Amazing 10 year old boy. Bigger in size but everything in the right place and couldn't fault him. Still in fabulous condition and a credit to his owner. Fantastic movement with lovely extended trot. One of the best movers I have ever judged. Gave him Best Puppy in the past and he's

still winning. Res Dog CC 2 Howard's Lasagesse Starman Lovely head on this boy with good eared. Nice dark eye sparkling eyes. Good straight front and lovely rear action. Felt the cold but was great on the move.

PD (4-1) 1 Pendlebury's Ettology Small Gods Of Pendlethrine Showed much better than in previous class. Still immature and needs to fill out but that will come. Nice thumbprints. I liked his head and expression. Correct front and shoulder placement. 2 Warren's Rhymswell Fields Of Gold Lovely tans on this youngster. Thumbprints present. Great earset and good dark pigment. Head will mature. Moved well but he was a bit nervous. I'm sure he would have done better in a different venue. 3 Snell's Neeroden Pepper Minty

JD (2) 1 Cadman's Pippahouse Tiny Shadow Lovely tans and glossy black jacket. Nice thumbprints. Good profile showing correct curves and tuck. Good turn of stifle. Moved and showed well. 2 Pendlebury's Ettology Small Gods Of Pendlethrine

PGD (3-1) 1 Howard's Lasagesse Starman Nice upstanding dog full of confidence and showed himself to advantage. Bit wide in front on the move but great rear action. Lovely pigment and attractive head and ear set. 2 Thorne's Ettology Kiplings Apple Pie At Winklefred I really liked this boy. Smaller than 1. Compact and well put together all round. Moved well. I think he was a bit worried in this noisy and cold venue which was a shame. Perhaps a case of another day a different place.

Judges Critiques Julie Baldwin

SBD (3) 1 Fier's Lokeren Brooks Yonas 22mths. Would prefer a touch more width in head but has a wicked, dark eye. Nice dentition. Super front assembly, standing nicely with correct spring of rib. Moves soundly but could be a touch more shapely in profile. 2 Pendlebury's Ettology Small Gods Of Pendlethrine. 1yr. Nice head and eye. Good muzzle and dentition. Moved okay in profile but a wide behind. Topline could be better, showing pin bones. 3 Shevchenko's Ettology Making Mischief

PD (1) 1 Warren's Rhymswell Fields Of Gold Promising boy. Up to size but nicely balanced. Nice depth of chest. Colours are good. Nice dark eye. Good ear set and carriage, super tail set and carried well. Touching a little close behind, but sound.

JD (5,1) 1 Cadman & Jarvis's Pippahouse Tiny Shaddow. 18mths. Promising male, super head. Lovely eyes. Correct ear size and set. Lovely depth of chest. A tad longer in loin than I'd prefer but has lovely curves. Moved okay, but more practise with handler could improve further. 2 Dixon's Lasagesse Dazed N'confused. 15mths. Well up to size but balanced. Head is just a touch narrower than is my preference but has a fabulously dark eye of correct shape and size. Correct stop, good muzzle and lovely ears. Tail set is okay, but is carried too high. 3 Mason's Rhymswell Sound Of Silence (bb2)

PGD (4) 1 Roskell's Witchstone Silent Wish With Rahima JW. 21mths. Promising boy but needs more cover over the loin. Muzzle is a tad longer than I prefer but has excellent, clean dentition. Nice head between the ears. Is nice for size and has an excellent extended trot. When conditioned better should do well. 2 Howard's Lasagesse Jumpin Jack Flash Up to size but every inch the ETT. Strong masculine head. Super eye and ears. Good topline and tail set. Is nicely put together with good shoulders and topline. Is sound moving but needs to go at a faster pace to achieve the desired gait. 3 Fier's Lokeren Brooks Yonas

LD (3) 1 Partington-Palmer & Palmer's Etruria Hear The Word 2yrs. Fabulous male shown in super, hard condition. Masculine but not overdone, good eyes, super ears and set. Nice head between the ears. Good reach of neck, into super shoulders. Correct upper arm, nice front assembly and up on his toes. Good depth of check. Was a touch unsteady on the table to start with but came into his own on the move. Super extension with excellent drive from behind. Delighted to award DCC. 2 Pevy & Leonard Witchstone Won't Be Silent By Richpin Masculine boy of undeniable quality. Not quite the condition of 1, on the day, but a lot to like. Good muzzle and dentition. Nice reach of neck, good depth of chest. Moved soundly and with drive. 3 Summerfield's Kikuchi Maverick

OD (7) 1 Phillips' Ettology Big Bang Jw 4yrs. Lovely head and eye. Super neck into correct shoulders. Nice eye, good ears and carriage. Super topline, held well. Shown in super

condition and handled to advantage. RDCC 2 Imrie's Ch Witchstone Black Hawk At Amalric JW 7yrs, and still a lot to offer. Although head isn't to my preference he is masculine and every inch the ETT. Super between the ears, good eye. Topline is okay, and tail set and carriage is good. In 1st class condition and handled to advantage. 3 Forsythe & Pevy Kikuchi Hollywood Avec Richpin Jw

VD (2) 1 Francis & Blatchford's Ch Witchstone Not Apache On Me For Peopleton VW 10yrs. Hard to believe this boy is in double digits. Out moving a lot of exhibits today, he is all male. Well over size but beautifully balanced. Has a strong head, super under jaw and dentition. A worthy champion. 2 Howard & Howard Lasagesse Starman 8yrs. Nice boy who is holding his tans well. Nicely ribbed and moving okay.

SBB (4) 1 Dean-Armit's Twowayshouse Touch Of Class 2yrs. Shapely bitch in immaculate condition. Feminine but with strength in muzzle, wicked eye. Scores highly in head and ears. Nice neck, good shoulders and super depth of chest. Good front and rear angulation and moves really well. RBCC & BSB. SB G2. 2 Pendlebury's Wykewoks Autumnal Sunsetta Of Pendlethrine 8mths. Finer throughout but balanced. Pretty girl, nice eyes. Strong tans, nice black jacket. Shows well for a youngster. 3 Hancocks & Bailey Witchstone Silent Whisper

MPB (1) 1 Pendlebury's Wykewoks Autumnal Sunsetta Of Pendlethrine PB (1) 1 Pendlebury's Wykewoks Autumnal Sunsetta Of Pendlethrine JB (6,1) 1 Hall & Oakden's Spawood Proud Mary With Ghilgrange 15mths. Shapely bitch, lovely head, eye and ears. Just a tad longer in muzzle than I'd prefer but has a good underjaw and dentition. Scores highly in profile both moving and in repose. Super black jacket, lovely tans, although markings could be better. 2 Haffenden & Wood, Nasabe Devils Brew 12mths. Promising bitch. Nice head planes. Eye is dark though a tad round. Super rich tan. Nice spring of rib, good depth of chest for a youngster. Tends to flatten in topline but is sound and does have signs of front extension. 3 Imrie & Leonard's Fera-mitis Argante Of Avalon With Witchstone 13mths and worthy of a mention. Although lacking in maturity on the day she is super for size and type and moves really well. Very pretty bitch.

PGB (4) 1 Dean-Armit's Twowayshouse Touch Of Class 2 Hall & Oakden Spawood Proud Mary With Ghilgrange 3 Hancocks & Bailey Witchstone Silent Whisper LB (4) 1 Serman's Kikuchi Mulberry Among Tymy 2yrs. Fabulous, quality bitch, excels in head and ears. Eyes are dark but could be a tad less round. Nice neck into correct shoulders. Good topline, nice depth of chest. Fabulous profile moved and shown and handled to advantage. Considered for higher honours but unlucky to be up against such quality, on form girls today. 2 Love's Lasagesse Whole Lotta Love With Tettoy Lovely bitch. Nice for shape and size. Muzzle a tad longer than I prefer but head is balanced. Colour and markings are good and shown in 1st class condition. Handled well and moving soundly. 3 Goodfellow's Nasabe Royal Rose Airambech

OB (5) Haffenden & Wood Ch Nasabe Play The Game JW 2yrs. Stunning bitch that out showed and out classed almost every exhibit today. Excels in overall type, size and shape. Loved her feminine head, super dark eye, ears of correct size and carriage. Super reach of neck into lovely shoulders, correct upper arm and nicely on her toes. Super spring of rib, lovely topline, correct loin. Excels in front and rear assembly and just about out moved everything today. BCC & BOB 2 Fier's Lokeren Abba Agnetha 6yrs. Larger in type but balanced. Scores in head and ears. Shown in good clean condition with rich tans and lovely black jacket. Moved well. 3 Dixon's Lasagesse Kashmir

VB (3,1) 1 Haffenden & Wood Ch Witchstone Minnehaha VW 8yrs. In immaculate condition. Text book head. Fabulously shapely bitch who moves like a girl half her age. Super jacket and tans. A very worthy champion. BVIB 2 Fier□s Thalcyon Springtime Star 9yrs. Another pretty bitch with a lovely shapely outline. Nice head and ears. Shown and handled to advantage.

Judges Critique Leila Tarabad

My first time awarding CC's in the breed and although not numerically strong the quality was still evident and I found out later that amongst the entry were 4 Toy Group winners who had already amassed over 60 CC's between them. As it happened it was these 4 dogs that took home the green cards and although it was a little disappointing to have no puppies or special beginners entered to send forward to the groups the beautiful Veteran Minnehaha made up for it by winning BVIS, congratulations!

Junior Dog

Entries: 1

1. Lasagesse Dazed N'confused (Mr G & Mrs L Dixon) 14months old and wasn't very happy in the noisy hall so didn't make the most of himself which was a shame as he is a lovely type with attractive outline, good neck, straight front, good depth of chest and well angulated rear. Masculine head of good length with good fill beneath his dark eyes, slight stop and strong jaw. Moved with a smooth, easy stride just tending to flatten out a little and carry his tail a little higher than I'd prefer. Quality youngster who I'd imagine will carry his title in time.

Post Graduate Dog

Entries: 1

1. Spawood Hey Mickey (Messrs P & A Conway & Oakden) 14months old and still has some maturing to do but presents a nice outline in profile, compact and elegant with good chest and ribbing, fine bone and well angulated rear. Wedge shaped head with small dark eyes, high set ears and keen expression. Moved steadily with some extension in front and super tail carriage.

Limit Dog

Entries: 2

1. Amalric Paco Rabanne (Mrs W Imrie) Nice size, compact with good topline, well sprung ribs, straight front and well constructed rear. Masculine, wedge shaped head with the darkest of eyes, strong jaw, well set and used ears and alert expression. Moved well but his tail carriage let him down.

2. Edalene Upside Down JW (Mrs C & Miss R Inch) Soundly constructed with a nice outline, good neck and shoulders, deep narrow chest and well sprung ribs just not quite as compact as 1. Strong head with small dark eyes and alert expression, ears set a little wide apart. Moved soundly with some extension in front, accurate out and back.

Open Dog

Entries: 2

1. Ch Witchstone Black Hawk at Amalric JW (Mrs W Imrie) Just 3 days short of his 7th birthday but not looking like a veteran at all! Sleek, curvy outline with long arched neck, deep narrow chest, straight front, good topline and underline with well angulated rear, fine bone and good feet. Handsome, wedge shaped head of good length with well set ears, good fill under small dark eyes, strong jaw and tight lips. Dense glossy coat of good colours, in fit muscular condition and certainly fit for function! Moved accurately out and back and circled the ring with good reach and drive maintaining his outline at all times. Didn't put a foot wrong to take the DCC (his 18th) and I heard later became the top winning living ETT male, congratulations.

2. Ch Amalric Butch Cassidy JW (Mrs W Imrie) 2yr old son of 1st presented in equally as beautiful condition with coat gleaming and clean, elegant outline. Compact and balanced in outline with good topline, deep chest, good ribbing and well angulated rear. Lovely head and keen expression from his small dark eyes. Moved soundly just couldn't quite match his fathers accuracy and style.

1. Ch Witchstone Place Your Bets at Capledrae JW ShCEx OSW (Mr R & Mrs M Bennett) One I have encountered several times over the years and he never disappoints! Just a month into veteran and he's sure to have a super veteran career in this form. So well made and balanced with long arched neck, good shoulders, straight front, deep narrow chest, good topline and underline and sound rear. Masculine head of good length with well set candle flame ears, small dark eyes and strong jaw. Super profile movement with the desired extension in front and good drive from the rear with outline held firm. Close up in the challenge with the open dog just coming towards a little cleaner on the day but no denying his quality, RCC.

1. Witchstone Limited Edition (Mr A Leonard) Feminine 13month old who was the best here for shape and balance both standing and on the move. Compact and elegant with fine bone

and nice curves with good body for her size and although smaller she is in no way weedy. Pretty, wedge shaped head with lovely ears and the darkest of eyes. Moved freely, the most accurate in the class with tail carried fairly well. Still has plenty of maturing to do but has all the essentials to finish very well indeed.

2. Spawood Proud Mary with Ghilgrange (Ms Da & Mr A Hall & Oakden) Also 13 months and again needs time to mature fully. Fairly deep chest, good ribbing for age, good topline and underline, fine bone and low set tail. Lovely head and keen expression, well set ears, small dark eyes with good fill beneath, slight stop and strong jaw. Handled expertly and presented in beautiful condition. Sound moving with great attitude but didn't cover the ground quite as well as 1.

1. Spawood Proud Mary with Ghilgrange (Ms Da & Mr A Hall & Oakden). (see JB)

2. Fera Mitis Argante of Avalon with Witchstone (Mrs Wendy & Mr A Imrie & Leonard) 13 months old and although had lots to like she just wasn't very settled in the noisy hall and was not making the most of herself especially on the move. Lovely size and shape with good spring of rib, correct topline and rounded rear with well turned stifles, fine bone and good feet. Wedge shaped head with correctly set ears, slight stop and strong jaw. Moved well out and back but didn't settle enough in profile.

1. Nasabe Royal Rose with Airambech (Mrs M J Goodfellow) Compact and shapely with arched neck, good front assembly, well sprung ribs and well angulated rear. Long, wedge shaped head with high set ears and strong jaw, would like a darker eye. Moved freely holding her outline better than 2 although tail carriage could be better. Lovely confident attitude.

2. Edalene Scoops Ahoy (Mrs C & Miss R Inch) Nice size and in fit condition as always from this exhibitor. Good depth of chest and spring of rib, when she settles she has a good topline but she did tend to tuck up a bit losing her outline. Well shaped head of good length with well tapered muzzle, strong jaw, dark eyes and alert expression. Moved freely.

Nice class with much to admire in them all.

1. Ch Nasabe Play The Game JW (Mrs H & Mr J Haffenden & Wood) 2 yr old daughter of the CC winner and the resemblance is clear to see. Small, elegant and compact with clean outline, fine bone, thick glossy coat of good colours and defined tans. Arched neck into good

shoulders, good topline, well sprung ribs and nicely constructed rear. Feminine head with dark sparkling eyes, high set candle flame ears, strong jaw and tight lips. Had the most impressive profile movement in the class with good reach and drive whilst holding her outline firm. Such a little showgirl I thought she would surely be my CC winner until the last class walked in and her mother snatched it from right under her nose! So on this occasion she had to settle for the RCC but I'm sure she had plenty more big green cards in her future (if mum stops cramping her style!!)

2. Witchstone Silent Prayer (Mr A Leonard) Another Witchstone beauty who, at only 20 months, still isn't the finished article and didn't quite make as much of herself as 1 but is easily of champion quality and is sure to gain her title with little trouble. Super size, compact and balanced with good front and rear assembly, fine bone, correct topline and underline. Pretty head with dark almond shaped eyes and super expression. Was more accurate out and back than 1 but didn't go with as much purpose in profile although still displayed good extension in front and drive from the rear with tail carried well. Just needed a bit more 'look at me' attitude to really make the most of herself which gave 1 the edge.

3. Lasagesse Kashmir (Mr G & Mrs L Dixon)

Veteran Bitch

1. Ch Witchstone Minnehaha VW (Mrs H & Mr J Haffenden & Wood) I didn't think I'd have to wait until the last class to find my star of the day but here she was, 8 years old and the older sister of the DCC winner I later found out! She is quite simply exquisite and outclassed and outmoved the whole entry. Spot on for size, balance and substance and no doubt could 'acquit herself in the rat pit' quite satisfactorily. Small, compact, elegant and well muscled with lovely front and rear assembly, perfect topline and tail set, good underline, fine bone and good feet. Gorgeous head and expression, long, narrow and wedge shaped with strong jaw, beautiful ears and good fill under small dark eyes. Her movement is textbook, effortless and precise with good extension in front and drive behind, totally accurate out and back and maintaining her fabulous outline at all times with tail carried nicely. Shown in optimum condition and handled to an advantage there was no beating her, even though her daughter tried! CC (her 22nd) which made her the top winning living ETT, BOB and BV. I was absolutely delighted to see her top the Veteran group and return to win a well deserved BVIS, she is a credit to her breeders, owners and the breed as a whole, well done!

2. Edalene Never Let Me Go VW (Mrs C & Miss R Inch) A quality 9yr old who also looks super for her age and was no shame in standing 2nd here. Compact and shapely with lovely spring of rib, good topline, straight front and well angulated rear. Nice head qualities with well set ears, good fill under her small dark eyes, tapered muzzle and strong jaw. Moved accurately and covered the ground fairly well but couldn't match the reach and drive of 1. In good coat with well defined tan markings which could be a little richer. A lovely veteran in impressive condition.

Judges Critique Jeff Horsewell

A most enjoyable entry to sort out, I thought there was plenty of quality. A few were too long, and often that went with a flat topline, an ETT must have gentle curves. Not all had the required thumbprints. Quite a few were rather broad in skull. Temperament and movement was good generally, although the typical extended trot wasn't seen much.

2258. English Toy Terrier (Black and Tan) - Veteran Dog

1ST 5462 - Ch Witchstone Raindance avec Richpin JW (Mr R Forsythe) . He is in wonderful hard and fit condition. Liked his proportions and gracefully curved topline.. Masc head. Dark and well shaped eyes. V good ears. Enough neck. Fairly deep chest. Well ribbed. Has a better rear than 2. V accurate on the move. Put on a great performance, CC, BOB and VG1, well done. 2ND 5463 - Ch Witchstone Not Apache On Me for Peopleton VW (Mr J & Miss W Francis & Blatchford). Another with a super outline. He has a v well shaped head with super eye and expression. Medium neck. He could be deeper in chest. Well ribbed back. Liked his v typical front action but picks up in rear a bit. Judges Critique : Dom Santoriello

Thank you Gillian Knight & Maureen Betts for your hard work in the heat, much appreciated, you had the ring running like clockwork. Thank you to the exhibitors for your support on my first CC appointment in the breed, there was a nice atmosphere around the ring with applause for the winners. Some dogs were affected by the heat today, understandably.

V (4) 1 Forsythe's CH Witchstone Raindance Avec Richpin JW, 7 years in excellent condition, well proportioned male. Masculine head of correct wedge shape, dark, well-shaped and obliquely set eyes. Ears placed high on back of skull. He has enough neck into well laid shoulder, super topline and tailset. Moved out with typical reach and drive. Close up in the challenge. 2 Francis & Blatchford's CH Witchstone Not Apache On Me for Peopleton another super boy that I have done well for in the past, excellent head and dark eye, well set ears, good neck into well laid shoulders and correct topline and tailset. Excellent mover, would prefer just slightly less of him. 3 Harmans Boiman's Great Expectations.

P(1) 1 Francis & Blatchford's Witchstone Nasabe Strike Up The Band, 6 months and rather raw, super temperament, pleasing head & ears, well arched neck, good topline. Slightly straight in rear. Correct tailset and moving well.

J (2) 1 Roskell & Wood's Nasabe Special Brew In Rahima, lovely head & eye giving excellent expression, typical wedge shape head, good neck into well laid shoulder and correct topline, rounded rear with correct tailset. Very sound mover. 2 Warren's Rhymswell Fields of Gold, very nice head, flat skull and well set ears, good neck into shoulders, straight front, correct topline, good rear and low set tail. Moved OK.

PGD (4,1) 1 Dixon's Lasagesse Dazed N Confused, super boy of excellent type, pleasing head & eye, straight front, deep chest and standing on good feet. Good neck into well laid shoulder & correct topline. Moves very well with correct action. 2 Shevchenko Ettoly Making Mischief, not the head and expression of 1 but well set ears, medium neck into good topline, good feet, and moved round with good reach and drive. 3 Cadman & Jarvis Pippahouse Tiny Shaddow

LD (4) 1 Roskell's Witchstone Silent Wish with Rahima JW, have judged him as a youngster and did him well before, he has matured well. Excellent head & eye giving typical expression. Straight front, deep chest, good feet. Lovely topline & tailset. Pleasing mover with good reach and drive. 2 Keylock & Collins Lasagesse Paint It Black, he has a super temperament, handsome head & good eye & ears. Good topline and rear angulation, tail set low and carried correctly. Moves well.

OD (4) 1 Imrie's CH Witchstone Black Horse at Almaric, 7 years old, I remember judging him as a puppy so it was nice to judge him again as an adult. Good for size, and a lovely shapely profile. Masculine and well balanced wedge shaped head, ears held high and set correctly, small almond shaped eye. Good for neck into compact body, and well muscled rear. Shown in glossy coat. On the move he shows the desired extended trot. Delighted to award him the CC, BOS & BV. He later won Group 3. 2 Harman's CH Witchstone Crazu Horse at Boimans, litter brother to 1 and many of the same comments apply. He too has a masculine head and super eyes. Compact body, slightly curving body, and gently rounded

buttocks. Good tailset and carriage. Lovely mover in profile, just preferred the precision of front movement on 1. RDCC. 3 Imrie's CH Almaric Butch Cassidy.

PB 1 Haffenden & Wood's Nasabe Strikes Again, 6 months and slightly more together than her litter brother. She presents a lovely shapely outline on the stand. Feminine head, small dark eyes, ears are well set giving a keen expression. Underjaw needs to strengthen. Good neck into compact body and good rear angulation. Thumbprints evident. Low set tail. Super mover showing good reach and drive. BP & Puppy Group 1.

J 1 Jackson's Dandyteed Lily The Pink, pleasing type, feminine head and dark eye, small ears set on high. Good neck, compact body & good rear angulation. Moved OK.

PGB (4) Mixed class. 1 Imrie's Fera Mits Argante of Avalon at Witchstone (imp SWE), comfortable winner of this class, ideal size, feminine head of a good length, dark eye, small ears set on high. Compact body, correct topline & pleasing rear angulation. Tail set low with good carriage. Sound mover. 2 Marsden's Galvizach Royal Amethyst of Regalriver, pleasing type and has a good shape with a pretty head and expression. Compact body, good topline and sound rear. Moved OK.

L (2) 1 Love's Lasagesse A Whole Lotta Love with Tettoy, 16 months, lovely type and typical outline on this girl. Good size and bone. Lovely head and eye, good neck, compact body and good tuck up. Typical topline falling to a well rounded rump. Lovely mover. 2 Goodfellow's Nasabe Royal Rose with Airambech, another typical bitch and close up to 1, just preferring the eye of 1. Good neck and shoulder, pleasing topline and tailset. Very sound mover.

OB (5) 1 Leonard's Witchstone Silent Prayer, feminine bitch who caught my eye for her elegant and shapely outline. She is the ideal size, beautiful headpiece, typical wedge-shape, obliquely set eye, small high set ears standing on back of her skull giving a super expression. Excellent bone, standing on super feet. Compact body, correct topline, falling slightly to her well rounded buttocks. Good tuck up. Hocks well let down. Low-set tail which she maintains on the mover. Textbook mover, showing that desired extended trot, with excellent drive from the rear. I gave her BPIS when I judged the ETT Club Open Show, so I was delighted to see her again today, and award her her 3rd CC, and Best of Breed, she was later shortlisted in an excellent Toy Group. 2 Haffenden and Wood's CH Nasabe Play The Game JW, another beauty and pushed 1 all the way. She too has a elegant outline which can't be ignored. Pretty head and expression, super eyes and ear set. Good neck into lovely shoulder & compact body. Correct topline and tuck up, excellent rear angulation, low set tail. Pleasing mover showing excellent reach and drive. RBCC.

Judges Critique : Jan Harman

Thank you to BDCS for the invitation to award my first set of ETT CC. A beautiful showground and setting with a well-prepared ring. It was very windy during the day which did affect a few of the exhibits' performance. The overall quality of the dogs was generally good, but there was evidence of a few with very dirty teeth, and some with very high tail set which when carried upright or over the back ruins an otherwise elegant outline on the move.

MPD (1) 1. Francis + Blatchfords' Witchstone Strike Up The Band 7-month youngster with a lot to offer as he matures. A masculine wedge-shaped head, good ear placement and dark almond eyes. A well-balanced appearance which showed as he moved with ease around the ring covering the ground well. Best Puppy

JD (1) 1. Dixons' Lasagesse Dazed N' Confused. A very smart 16-month-old dog. Wedge shaped head with flat back skull, dark eye and good ear placement. A black dense shiny coat. Moved well showing a lovely topline. Shows a lot of promise.

YD (2) 1. Roskell' Witchstone Silent Wish With Rahima JW A small compact but elegant dog. Wedge shaped head best of ears, lovely long neck flowing into a shapely topline straight front, well-marked. He moved around the ring effortlessly. He was a strong contender for RCC. 2. Pendlebury' Ettology Small Gods Of Pendlethrine Another nice sized dog. Good head and ear set. Dark eye straight front with correct topline.

PGD (1) 1. Howards' Lasagesse Jumping Jack Flash Dark eyes set into a classic wedge-shaped head. A mature 2-year-old with a good length of neck and shapely topline and good tail set. Thick close dark coat, with strong tans. Moved out well when he gets into his stride.

LD (3) 1. Pavey & Leonards ☐ Witchstone Won't Be Silent By Richpin. A lovely size; small and compact. A long narrow wedge-shaped head with a dark eye. Candle flame ears set high on the back skull. A long slightly arched neck. Meeting up with correct shaping along the topline. Straight front and tight feet. Moved out well fore and aft covering the ground with ease. 2. Partlington ☐ Palmer & Palmers ☐ Etruria Hear The Word Slightly longer cast than I. Good head and expression. Dark eye and candle flame ears used well. Straight front and gently curving topline. Moved soundly.

OD (7) 1. Imries ☐ Ch. Witchstone Black Hawk At Amalric JW. What can I say that has not been said before. A lovely classic type. Correct shaped head with firm well set ears. Wickedly dark almond shaped eyes and a strong underjaw. A long beautifully arched neck with elbows close to the chest/ A gently curving topline showing a good tail set. As he moved confidently around the ring. So sound. I had no problem with awarding him his 20th CC and Best Veteran. He later went group 3 in the Veteran Group. 2 Forsythe & Pavey Kikuchi Hollywood Avec Richpin JW A smart 2-year-old. Good head and ear placement. Dark almond shaped eyes and a strong jaw. Legs falling straight from the shoulders, chest narrow and deep with well sprung ribs. Smooth easy movement with plenty of drive sometimes just a little too proud of his tail. However, he showed his socks off and was awarded the RCC. 2. Loves ☐ Witchstone Follow The Dream With Tettoy.

V (3) 1. Forsythe's - Ch Witchstone Raindance Avec Richpin JW OKquality 7-year-old. Classic dog. Elegant wedge-shaped head with dark eye and well set forward facing ears. A good strong underjaw. Straight front with nice tight feet. Curving topline from shoulder to loin and low set tail which was used well. Confidently covered the ground. 2. Francis & Blatchford's - Ch Witchstone Not Apache On Me For Peopleton VW. Very smart 10 year old in fabulous condition. Classic head and expression with dark eye, good mouth and well set ears. Beautiful curves all through from his straight front to a well set tail. Topline held perfectly as he strode out around the ring with ease with good reach and drive. 3. Howard's - Lasagesse Supersonic Special Beginners D (1) 1. Pendleburys ☐ Ethology Small Gods Of Pendlethrine.

Good Citizens Dog Scheme D (2,1) 1. Pendleburys ☐ Ethology Small Gods Of Pendlethrine.

PB (1) 1. Pendleburys ☐ Wykewoks Autumnal Sunsetta Of Pendlethrine A neat little bitch presenting a lovely outline. Good coat. Showing a nice wedge shaped head with dark almond shaped eyes. Good length of neck running into a softly curving topline and rounded buttocks. Moved well fore and aft condifering the very noisy windy wearther at the time.

JB (1) 1 Hall & Oakdens ☐ Spawood Pround Mary With Ghilgrange 1. An elegant outline illustrating a lovely size and wearing a glossy black coat with rich tans. Good wedge shaped head and forward facing ears. Dark eyes and good mouth. Nice straight front with tight feet. Moved soundly in spite of the strong wind.

Judges Critique : Richard Forsythe

What a fabulous show at the North East of England Toy Dog Society! The beautiful venue at Newcastle Racecourse, coupled with the glorious weather, put everyone in good spirits and made for a truly enjoyable day. This was my second time awarding CCs in English Toy Terriers, and I was very pleased with my entry of 35 dogs. My heartfelt thanks go to my two very capable stewards, who kept the ring running seamlessly and kept a smile on my face throughout — your help was invaluable.

As we all know, in a small breed like the ETT, friendships inevitably form — which is one of the joys of our breed community. However, once I step into the ring as a judge, all friendships are left at the entrance. My role is, and always will be, to assess the dogs and the dogs alone, against the breed standard.

That said, I do feel we are entering a slightly concerning era. Many exhibits today displayed traits of the English Toy Terrier, but what was lacking — across too many — was the correct topline, which is a hallmark of our breed. The standard calls for “Back very slightly curving from behind shoulder to loin, falling again to root of tail.” Too many today showed breaks in the topline, or appeared level, which risks eroding what makes our breed unique. Similarly, our breed is distinguished by its front movements “akin to an extended trot.” What I saw today was more dogs with excessive lift in front, rather than the desired low, reach. These points are what set the ETT apart from other breeds.

Finally, a few practical notes — I came across several poor mouths, which I did not find last time, as well as dirty teeth and long nails. These small details do matter, and they are within everyone’s control to maintain.

Thank you again to the Society for inviting me, and to everyone who entered and brought their dogs for me to assess. It was a privilege to judge your dogs, and I hope my observations are taken in the constructive spirit intended — to help preserve and improve this wonderful, unique breed we all care so much about.

Special Beginners Dog (1,0)

1st - PENDLEBURY, Mrs C - Ettology Small Gods Of Pendlethrine. A dog that is of good size. A pleasing headpiece with good wedge shape. Eyes are set well and of almond shape. Would like a stronger ear set to finish the overall expression. Shoulders good with a straight parallel front. Neck is long and arched. Slightly croup high at the moment but being only 14 months should balance out as he develops. Topline flatter than preferred. Good depth to chest and spring of ribs. Rear is muscled well with good angles and strong hocks. On the move presents an element of low extension just needs to reach a little more. In the rear can be a little untidy at times.

Veteran Dog (3,0)

1st - FRANCIS & BLATCHFORD, Mr & Miss Jw & W - Ch Witchstone Not Apache On Me For Peopleton Vw. This was my find of the day. Yes there is a lot of dog here, but he has everything absolutely where it should be. A series of curves throughout without being overdone. A masculine headpiece with correct candle flame shaped ears set high. Good length to muzzle with enough stop to balance the headpiece. Strong under jaw which would be capable for dispatching any rat. Almond shaped eyes set well in head. Graceful neck set into well laid shoulders with a good return of upper arm with elbows close to a deep well developed chest and straight limbs of good bone. Good tuck up. Topline is superb which is held on the stand and the move. Good length to loin with a well angled croup, rounded rump and a low set tail carried well. Rear angles are good with a good turn of stifle and well let down hocks. On the move this boy impresses with the rear drive and produces the breed typical extended trot. Pleased to award this 10 year old the DCC, BOB and BV and I look forward to competing along side him in the veteran classes.

2nd - IMRIE, Mrs W Norris - Ch Witchstone Black Hawk At Amalric Jw. A dog that is absolutely worthy of his title as he has a lot to offer. A masculine headpiece with correct almond shaped eyes set well giving a keen expression. A balanced head piece creating a wedge shape to skull and good underfill. Ears are of good shape and size, to be ultra picky I'd like them a fraction higher to really finish off the headpiece. Good length to neck with a good shoulder placement. Limbs are straight and of good bone finished with well arched compact feet. Lack of definition in Thumbprints. Super depth to chest and spring of ribs with a lovely underline. Topline could be stronger. Strong muscular loin with a well angled croup and well rounded rump. Tail set low but can be a little proud of it on the move, being a typical male. This boys strength is his rear assembly. A good turn of stifle with well let down hocks and super muscle throughout. Handled to perfection which really gets the best out of him. On the move he has super rear drive, can get a little untidy in front.

Minor Puppy Dog (1,0)

1st - FRANCIS & BLATCHFORD, Mr & Miss Jw & W -Witchstone Nasabe Strike Up The Band. Offspring of the DCC and RBCC. I really don't want him any bigger. Head is developing well with good wedge shape. Ears are set well and he now needs to grow into them for the overall balance of the head. Eyes are a lovely almond shape of good size and colour set well in head. Neck of good length leading into well laid shoulders. Straight parallel front, would like to see a little more definition in thumbprints. Standing on compact well arched feet. Enough depth to chest for age. Topline has the correct rise and fall leading into a

well rounded rump with a low set tail. Angles in rear are good with ample muscle tone. Moves out well covering the ground.

Junior dog (3,0)

1st - DIXON, Mrs Lisa Jane & DIXON, Mr Graeme - Lasagesse Dazed N'confused. I judged this dog last year when he was a puppy and he's come on since then. Up to height but fine boned throughout. A masculine headpiece of good proportions with enough stop to give the head balance. Ears set good on a well developed back skull. Eyes are dark and of almond shape set well in head. Enough depth in muzzle to finish the wedge shape to head. Neck of good length. Would like a slight more lay of shoulder. Straight parallel front with good feet and strong pasterns. Topline has enough rise from wither over a muscular loin leading to a well rounded rump. Tail set low. Enough depth to chest and good tuck up. Rear well muscled with enough angulation. Moved out parallel with good drive. RDCC

2nd - ROSKELL, Mrs Belinda & WOOD, Mr Jack, - Nasabe Special Brew In Rahima. Very different type to 1. Heavier in bone. A good wedge shape to a well developed skull. Ears of good shape and size set well. Eyes are a correct size shape and colour set well, full of keen expression. Good length to neck, would like more lay of shoulder. Straight parallel front with good feet. Topline ok. Tail set low of good length. Enough turn of stifle with well let down hocks. Would like a little more coverage over pin bones. On the move there is more lift in front that I prefer and can get a little untidy in rear.

Post Graduate (1,0)

1st - HOWARD, Mrs Cecilia Margaret & HOWARD, Mr Donald, - Lasagesse Jumpin Jack Flash. Presents a good shape and size. Skull slightly broader than preferred. Good length and depth to muzzle with enough stop. Eyes have a wicked expression with a good almond shape, dark in colour and set well. Ears are set well, could be a fraction bigger to finish the overall expression on head. Good length to neck leading into a good shoulder placement and enough return of upper arm. Limbs are straight and parallel and good for bone. Would like more definition in Thumbprints. Topline good which is held on stand and on the move. Well rounded rump with a good turn of stifle and well let down hocks. I asked the handler to move slightly quicker and there was then a good rear drive and enough evidence of the correct front movement whilst covering the ground.

Limit (4,1)

1st - PARTINGTON-PALMER, Mrs C & PALMER, Mr Leslie Roy - Etruria Hear The Word. This dog presents a lovely silhouette on the stand with a series of curves. Pleasing headpiece of a good wedge shape. This boys needs to develop in confidence. Ears are set well and of good shape and size, could use them a little better to finish the overall expression. Neck of good length leading into a shoulder placement that's well laid. Straight parallel front. Lack of thumbprints and tan is paler than preferred. Lovely topline with rise from behind wither to a well rounded rump. Good depth to chest and tuck up. Tail is set and carried low. Rear is muscled well with enough turn of stifle and well let down hocks. Moved out well to win the class.

2nd - ROSKELL, Miss C - Witchstone Silent Wish With Rahima Jw. Masculine dog that is good for size. Muzzle to skull ratio good with enough stop. Ears are a good size, prefer them

set higher to finish the expression. Super eye placement and correct for shape and dark in colour. Well arched neck. Shoulder ok, would like a better return of upper arm. Straight parallel front with compact well arched feet. Topline ok with good length to loin. Good depth to chest and good tuck up. Rear angulation ok. Well let down hocks with good muscle tone throughout. Moved out with drive, just steps a little high in front.

Open (4,1)

1st - IMRIE, Mrs W Norris - Ch Witchstone Black Hawk At Amalric Jw see 2nd in veteran.

2nd - WHITEHOUSE, Mrs & Mr N & S - Twowayshouse Tudor King For Dalmonde. This dog presents a pleasing silhouette. A masculine headpiece with good width to skull and a well developed back skull. Ears are of a good shape and size, would prefer them set slightly higher to finish the overall expression. Eyes are set well and of good almond shape and dark in colour. Would like just a little more underfill to balance the headpiece out. Arched neck with well laid shoulders and return of upper arm with a fine boned, straight parallel front with evident thumbprints. Super topline with correct rise from behind the wither and finished with a well angulated croup. Tail set low of good length. Rear has a good turn of stifle and let down hocks. On the move he had good drive in rear and covered the ground well.

Special Beginners Bitch 3,0)

1st - MARSDEN, Mrs Clare - Galvizach Royal Amethyst Of Regalriver. A feminine headpiece that presents a good wedge shape. Flat skull, although would like ears to be set a little higher to finish off the overall expression. Eyes are a lovely almond shape of good size and colour set well. Good strength to under jaw. Neck is of good length leading into clean well laid shoulders. I'd like to see more rise from behind the wither to loin. Loin has good strength and length. Chest is of good depth with enough tuck up. Rear angles ok with ample muscle tone throughout. Moved with purpose with good drive in rear.

2nd - PENDLEBURY, Mrs C - Wykewoks Autumnal Sunsetta Of Pendlethrine. This youngster gave her handler a hard time the whole time she was in the ring. Pleasing shape to headpiece with good muzzle to skull proportions and strength to underjaw creating that wedge shape to skull. Eyes good in shape, size and colour set oblique. Ears are shaped well set high on back of skull. A little narrow throughout body. Shoulders ok. Fine boned with well arched feet. Chest good for depth with enough tuck up. Angles in rear ok, enough turn of stifle with well let down hocks and ample muscle tone. Moved out ok.

VeteranBitch (2,1)

1st - HAFFENDEN, Mrs Hazel & WOOD, Mr Jack - Ch Witchstone Minnehaha Vw. A bitch that I couldn't wait to judge again as she really didn't perform last time I saw her. A beautifully balanced headpiece with everything where it should be and not showing her age in the slightest. Ears are set high on the back of skull, well developed back skull, correct proportions to create wedge balanced with enough stop. Eyes are set obliquely and of correct shape and size. Neck is good for length, and leading into a super front assembly with well laid shoulders, good return of upper arm and parallel straight front finished with well arched feet. Good length to body with correct top line on stand. Would like the top line to be held better on the move. Good length to loin with a well rounded croup. Rear is well constructed with a good turn of stifle, super muscle tone and well let down hocks. On the move she really

knows what she's doing, there's drive and then you have the desired front movement all whilst covering the ground. Pleased to award her the RBCC

Minor Puppy (1,0)

1st - HAFFENDEN, Mrs Hazel & WOOD, Mr Jack - Nasabe Strikes Again. Presents a lovely silhouette when stood. As far as the head profile goes I'd like to see more length and strength to the underjaw to give the head the wedge shape. That said she has a flat skull with correct shape and size to ears set high on the back of skull. Eyes are well set which are good for colour, shape and size. Neck is long and slightly arched leading down into a good front assembly with well laid shoulders and a good return of upper arm with elbows close to a well developing chest. Parallel straight front with good width and finished with well arched feet. Top line is secure for one so young which has the correct rise and finished with a well rounded rump finished with a low set tail of good length. Rear is well balanced with a good turn of stifle, good length to thigh and well let down hocks. On the move had super drive with a correct movement in front, unfortunately had to give way to her litter sibling today as I preferred the finished headpiece which is fit for function.

Puppy (2,0)

1st - KIRTON, Mrs Christine - Wykewoks Megga Dawn. At 10 mo there is a pleasing shape, just needs to develop in confidence and that will really help show off her attributes. Pleasing proportions from muzzle to skull. Foreskull slightly more rounded than preferred. Enough stop to balance the head. Ears are of correct shape and size, would just like them set a little further forward. Good length to neck and good for shoulder placement with enough return of upper arm. Straight parallel front with good bone throughout and finished with compact well arched feet. Top line has enough rise to loin with a well rounded rump. Tail set low. Rear angles are good with a series of curves. A good turn of stifle, good length to thighs with well let down hocks. As she develops in confidence I'm sure she will gain more balance on the move, but moved with enough drive and purpose to win this classes

2nd - PENDLEBURY, Mrs C - Wykewoks Autumnal Sunsetta Of Pendlethrine 2nd SBB

Junior (1,0)

1st - IMRIE, Mrs W Norris & LEONARD, Mr A - Fera-Mitis Argante Of Avalon With Witchstone. This bitch appealed to me in so many ways but unfortunately today she didn't move as parallel coming and going as the BCC and RBCC on the move otherwise she would have been a contender for a green card. Good for overall shape and size. A feminine headpiece with super proportions creating a good overall wedge shape. Ears are of correct candle flame shape, set high on back of skull. Eyes set oblique and of super shape and size. Neck is good for length and shoulders are well laid with a good return of upper arm. Front limbs are good for bone with well arched tight feet. Would like to see more definition in thumbprints. Super top line which was held on the stand and in the move with a good length to loin and well angulated croup and rounded rump with a low set tail. Angles in rear are well matched to front, with a good turn of stifle and well let down hocks and is well muscled throughout.

Novice (2,0)

1st - MARSDEN, Mrs Clare - Galvizach Royal Amethyst Of Regalriver. See 1st SBB

2nd - REEVE, Mrs P - Gillings Chiffon Black. Good for bone. Shorter in muzzle than preferred, good width to skull with ok ears set high. Eyes good almond shape set well and of good colour. Neck of good length leading into shoulders that are laid ok. Straight front and is good for bone. Rather croup high which comes from the straighter angulation in rear. Tail set low.

Limit (5,0)

1st - LOVE, Mrs V A - Lasagesse Whole Lotta Love With Tettoy. Loved the size of this girl and was handled beautifully. Head piece demonstrates a pleasing wedge shape with good width and depth throughout all whilst maintaining femininity. Ears are set well. Eyes are obliquely set of good almond shape and dark in colour. Lovely reach of neck. Shoulders are well laid with a good return of upper arm. Straight is straight with good pasterns and tight well arched feet. Top line has enough rise and is met with a loin that is good for length and finished with a low set tail. Got owner to change hands away and back as she was slightly unsettled, however once changed she demonstrated a lovely rear drive and enough front movement to win the class.

2nd - GOODFELLOW, Mrs Maria - Nasabe Royal Rose Airambech. Loved this girl for overall shape and size and will swap places with 1 I'm sure on another day. Balanced headpiece with good proportions. Ears are set high on flat skull and are of correct size and shape. Eyes of correct shape and good for colour set well in head. Neck is of good length leading into well laid shoulders into a straight parallel front. Feet well arched. Top line has a good rise from behind the withers and met with a well angulated croup and a low set tail. Good depth to chest and evident underline. Angulation in rear has a good turn of stifle well let down hock and muscled well throughout. Moved with lovely front movement, just preferred the drive in rear of 1.

Open (5,0)

1st - WHITEHOUSE, Mrs & Mr N & S - Amalric Coco Chanel With Dalmonde Jw. One of the best shapes that was presented today. A super feminine headpiece which demonstrates a wedge shape. Ears are set well on top of a well developed skull presenting correct candle flame shape. Enough stop which gives the head balance and well filled under the eye. Good strength to under jaw. Neck is well arched and sits well on shoulders that are well laid with a good return of upper arm. Straight limbs which are fine boned throughout. Super top line which was held on the stand and move at all times with correct rise from behind the withers to a muscular loin to a well angulated croup and a well rounded rump. Tail set good. Lovely depth to chest with good tuck up. Rear angles are well matched to front with a good turn of stifle, good length to thighs and well let down hocks. On the move this girl was super parallel demonstrating a rear drive and a lovely front movement all whilst maintaining her top line and covering the ground. Pleased to award her The BCC which I was told gives her her crown, lost out to the dog in the challenge who was on form from the moment he entered the ring.

2nd - HAFFENDEN, Mrs Hazel & WOOD, Mr Jack - Ch Nasabe Play The Game Jw Shcex. There is no denying why this girl has her title, she has so many attributes to be admired. Beautiful headpiece with correct wedge shape. Ears are placed well and are of good size and present correct candle flame shape carried well at all times. Eyes are set obliquely and give a keen expression being correct shape and colour. Neck is of good length leading into super shoulder placement with enough return of upper arm. Super clean front with fine bone, parallel limbs, elbows close to a deep chest and finished with tight well arched feet. Fraction longer in frame than 1 with a lovely top line. Good angles in croup with a well rounded rump finished with a low tail set of good length. Good turn of stifle with well let down hocks and ample muscle tone throughout. On the move has the cleanest of front movements but today just was a little untidy in rear.

Judges critique : Susan Santoriello

I really appreciated this appointment and would like to thank you all so much for the opportunity to assess your dogs. They were a credit to you especially as, to some, I was their 3rd judge of the day. A very big thank you to Charlotte for stewarding all day.

Baby Puppy Bitch

1. Marsden's Regalriver Big Bad She Wolf At just 4 months old, she is lovely for size and shape, and all wrapped up in a glossy black jacket with well defined markings. Good length of head with well shaped dark eyes. Compact in body and all in proportion with gently rounded buttocks and a correct low set tail. Hard to assess movement properly as still needing assurance but keep training and having fun and building your partnership. Best Baby Puppy In Show

Junior Dog (1,2)

1. Roskell & Wood's Nasabe Special Brew 14 months old in gleaming coat and lovely for size, bone and balance and who moved out smoothly with some extension in front. Lovely headpiece with a flat skull between his ears which were used well; his eyes small and obliquely set; a good length of neck fitting well into his shoulders, his fore-legs falling straight from his shoulder giving that correct straight front assembly. Curving nicely behind his shoulders and again over his loin. Well rounded buttocks; low-set tail and a well bent stifle with strong hocks helped his smooth fluid movement.

Graduate (1)

1. Pendlebury's Ettology Small Gods of Pendlethrine 14 month old wrapped up in a glossy black jacket and of an ideal size with lovely curves. Lovely head in proportion with obliquely set small dark eyes and ears on the smaller side. Well rounded buttocks and a clean rear, correctly set tail but carried a little proudly on the move until settled.

Post Graduate (1)

1. Howard's Lasagesse Jumpin Jack Flash Nice to see this young male again, I first judged him at 6 months at his first show and pleased to see he is maturing on well at just turned 2 years old. Classic wedge-shaped head, strong with flat skull between his well set ears; eyes are dark and obliquely set. Glossy black coat; compact in body with enough depth to brisket and lovely curves over his buttock and he has a low set tail which is also carried correctly on the move. He was fighting the lead a little coming towards me which affected his front movement but going away he was clear behind and in profile looked lovely and smooth.

Limit (3,5) Having checked the catalogue now I know why I really was splitting hair over 1st & 2nd

1. Pevy & Leonard's Witchstone Won't Be Silent For Richpin Now this 2 year old appealed for size and shape. Beautiful wedge shaped head with dark almond shaped eye; correct flat skull between his forward facing well set ears. He has a classic outline, curving in all the right places with a super glossy black jacket which was well marked but lacked thumbprints. Super front, which falls straight from the shoulder with good depth to elbow; compact in body with a well rounded rear and correct low set tail. Super strong rear, with a good bend of stifle and smooth on the move.

2. Roskell's Witchstone Silent Wish With Rahima JW Many of the same attributes as the winner, who it turns out is his litter brother. Liked his head, but preferred the ear set of 1 and he is not as compact in body just yet. His glossy black jacket is in excellent condition and he excels on the move, such a sound, fluid mover. Lots more to come from this young dog I feel.

3. Reeve's Galvizach Royal Emerald

Open Dog (2,3) 2 lovely dogs

1. Wines' Etruria Say The Word This boy really filled my eye; lovely for size and has a classic ETT outline, a super straight front and so good to go over. Super head, ears facing forward and set well back on his head, facing forward. Curving in all the right places, with a good tuck up and well rounded buttocks with a low set tail, lovely bend of stifle and parallel hocks. Moved fluidly in all directions. Reserve Best Dog

2. Whitehouse's Twowayshouse Tudor King For Dalmonde Have judged this boy at 2 and now here he is at 6 and still has lots of appeal and is in super condition, a credit to his owners. A slightly larger frame than the winner but still good to go over. Lovely head of good length, eyes sparkling and obliquely set and with a super ear set. Standing well with a straight front but just a little down on his pasterns now. Well rounded buttocks and a low set tail carried correctly on the move. Not as positive on the move as the winner.

Veteran Dog(3) Super class

1. Forsythe's CH Witchstone Raindance Avec Richpin JW Another I have judged before, and a treat to see him today as a veteran and he didn't disappoint. Cleanly built, and in super condition. Super wedge shaped head of good length and strength of muzzle and marked correctly; small, dark, obliquely set eyes; his ears are set well back with the desired candle flame shape. His neck is long and slightly arched and flows into his well laid shoulders. Straight front, deep chest and compact body with well rounded loin and correct low set tail which he carries correctly on the move. On the move, he was faultless and it was my pleasure to award him Best Dog, Best Veteran Dog and ultimately Best In Show and Best Veteran In Show.

2. Francis & Blatchford's CH Witchstone Not Apache On Me For Peopleton VW This young man I have admired from ringside and he belies his years. Cleanly built, sleek and elegant and moves so fluidly. Masculine head of good length and typical wedge shape. Dark sparkling eyes and super ear set and shape. Lovely graceful neck into the straightest of fronts; He is in super shape and condition and all in proportion and so lovely to go over. Built on a

slightly taller frame than the winner but once again he is fluid on the move and comes to a halt foursquare.

Puppy Bitch (2,2)

1. Haffenden & Wood's Nasabe Stikes Again 7 month old and what a poppet. She has such a fabulous temperament for her age. Already presents such a classic shape and is in super condition whilst curving just enough in all the right places. Her head, though still to finish, has good length and a flat skull; a cracking ear set with well shaped candle flame ears and dark sparkling eyes. Super straight front, compact in body, well rounded buttocks and moves so well with front extension and drive from the rear. Best Puppy Bitch and Best Puppy In Show

2. Pendlebury's Wykeworks Autumnal Sunsetta of Pendlethrine 11 months and lovely for size and her curvy outline in a glossy black jacket. Pretty wedge-shaped head with dark eyes, ears face forward but not quite as high which alters the expression. She seemed a little reluctant on the move.

Junior Bitch NO entries

Graduate Bitch (2,2)

1. Marsden's Galvizach Royal Amethyst Of Regalriver 2 year old presents an elegant outline. Head of good length and shape with dark eyes and well set ears correct straight front, deep enough and a well rounded loin with a good bend of stifle and moves well.

2. Reeve's Gillings Chiffon Black 20 months of a good size, compact in body with a lovely head, good length and flat skull between her candle flame ears. Well rounded buttock with a correct tail set and moved well.

Post Graduate Bitch (1)

1. Reeve's Gilling Syloette Petite 3 year old with a glossy black jacket. Pretty head of good shape with small ears; compact in body, curving over the loin; correct low set tail and a good bend of stifle with parallel hocks moving cleanly behind.

Limit Bitch (5,5)

1. Love's Lasagesse Whole Lotta Love With Tettoy Almost 18 months in lovely condition presenting a sleek elegant outline all wrapped up in her glossy black jacket with deep rust markings. Lovely wedge-shaped head of good length and a wicked expression in her dark eyes which are obliquely set; flat skull between her well shaped ears. Super neck, slightly arched and set well into her shoulders and straight front; topline curving well over her loin

with a good tuck up. Tail set is correct and carried correctly on the move. She moved really well in all directions.

2. Goodfellow's Nasabe Royal Rose With Airambech 3 year old ideal for size and shape and shown in lovely condition; Pretty feminine head with a good ear set; dark eyes just a little rounder in shape. Lovely arch to her neck; more compact in body than 1 and loin well tucked up and gently rounded on the rear with a low set tail and a good bend of stifle and moved well.

3. Reeve's Gilings Future Star

Open Bitch (4,5) lovely class

1. Haffenden's & Wood CH Nasabe Play The Game JW ShCEX Another I have judged as a puppy and has matured on so well. Ideal for size and shapely outline with a compact body. She has a lovely head, wedge shaped with dark eyes and correct earset. Good length of neck which fits well into her shoulders and her straight front with a deep chest and good tuck up. Topline curves over her loin; tail set is correct, with a decent bend of stifle and strong parallel hocks and she moves fluidly in all directions. Pleased to award her Best Bitch and Reserve Best In Show

2. Francis & Blatchford's CH Witchstone Trouble Brewing At Peopleton JW 3 years old and again from this owner, presented and shown in super condition. She has a classic elegant ETT outline; feminine head with dark sparkling eyes; correctly set and well shaped ears. Her neck is graceful and fits well into her shoulders. Straight front, deep chest and good tuck up with well rounded buttocks. Moved well and particularly impressed on the go round profile movement. Pleased to award her Reserve Best Bitch.

Judges Critique : Mr Andrew Stewart

JD (2) 1 Dixon & Dixon, Lasagesse Dazed N'confused JW - 17 months. This young dog was shown in amazing condition, his coat was gleaming and his muscle tone clearly evident. His head is wedged shaped, his ears are candle flamed shaped and are high set. Dark eyes that were expressive and alert. Big healthy white teeth that probably could do some damage. His neck is a good length and leads to sound shoulders. His ribs are well sprung

and his chest is narrow. He moves so effortlessly, really excelling in front movement. Excellent rich tan with good thumbprints. Delighted to award him the RDCC. 2 Warren, & Warren, Rhymswell Fields Of Gold - 14 months. Very typical outline. He has a masculine head; small dark eyes that are set correctly, wedged foreface and good dentition. Excellent elegant neck, compact body shape (perhaps more compact than 1st) Sound front and rear. Shown in hard condition. Didn't move out as freely as 1st, a touch unsettled on the move today. Happy personality. **LD** (3) 1 Snell, Neerodan Pepper Minty - This 14 month old dog has a very handsome head; narrow and wedged shaped. Typical candle flame ears. Nicely arched neck into well laid shoulders. His rear is well angulated and has good muscle tone. Correct markings on his thick shiny coat. I would prefer his legs to be a smidgen longer and his body a touch shorter for ideal balance. Moved out well in both directions. 2 Snell, Skin Deep's Mint Condition (Imp Nor) - a larger framed dog here but probably better balanced than 1st. His head is strong and very masculine, he has more width to his back skull than ideal. Dark almond shaped eyes that gave an alert expression. Good length of neck, well laid shoulders and a clean straight front. Topline is a touch flat and he carries his tail a little high. Strong rear sound movement. 3 Reeve, Royal Emerald Avec Gillings **OD** (4) 1 Dennison, Ch Ettology Bounteous Barney JW - 4 years. DCC, BoB & Toy Group 4. What a cracking silhouette this 4 year old has, so balanced. He is totally masculine throughout, with just the right amount of elegance. He has the long wedged shaped head, small dark expressive eyes, correctly set candle flame ears. Lovely neck leading to well laid back shoulders. Clean straight front with strong pasterns. Compact body shape with deep chest. His topline gently curves. His rear is nicely angulated with excellent firm muscle tone. He moves around the ring with good reach and drive. Put down in first class condition. Expertly handled. 2 Love, Witchstone Follow The Dream With Tettoy - similar shape and outline as 1st. 6 years old. Narrow wedged shaped head, flat skull, correct ear set. Lovely neck leading to a compact body shape. Topline a touch flat. Sound front and rear. Good markings with well defined pencilling. Moved out well enough in both directions. Well handled and schooled. 3 Harman, Ch Witchstone Crazy Horse At Boimans **VD** (1) 1 Nagler, Ramses Royal Returner - 11 year old in good order. He has a pleasing outline. Good head qualities, long and narrow. Correct almond shaped eyes. Nice arch to his neck. Compact body shape with gentle curve to topline. His movement was a touch erratic today and he seemed a little unsettled. **SBD/B** (2) 1 Reeve, Gillings Chiffon Black - Ok outline. Flat skull with correct width, high set ears. Small dark almond shaped eyes. Could have a longer and finer muzzle for ideal. Her neck is a good length and leads to a compact body shape. Straight front legs with good markings. Rear is ok. Moves well in front, could drive a little more in rear. Needs a little more confidence. 2 Greenwood-Johnson, Moretonia Royal Wren - Good outline. Correct wedged shaped head with candle flame ears. Ok body shape. Her front could be cleaner coming towards. Could have a little more substance throughout. Coat was shining like a new pin! **VB** (2) 1 Haffenden, & Wood, Ch Witchstone Minnehaha VW - 8 year old. Still an old favourite of mine. Head totally feminine, correct length of muzzle, typical candle flame ears. Excellent elegant neck. Sound shoulders. Correct topline with low set tail. Her rear is nicely angulated. She powers around the ring with super reach and drive. Well handled. Best Veteran in breed. 2 Inch, & Inch, Edalene Never Let Me Go VW - 9 years old and still showing her heart out. Larger framed girl but still nicely balanced in outline. She has good head properties, well set ears and dark keen eyes. Long neck leading to well laid shoulders. Ok in topline. Correct rear with well bent stifles. Moved soundly. **PB** (1) 1 Haffenden & Wood, Nasabe Strikes Again - this exciting youngster excels in movement, she covers the ground with ease and style. She has a well balanced head piece with correct

high set candle flame ears. Her dark sparkling eyes are set well into her head. Good length of muzzle to provide the correct wedge shaped head. Could have a touch more strength to underjaw for perfection. Loved her neck and compact body shape. Her tail is low set and she carries it correctly on the move. Shown in immaculate condition. Well handled. BP & RBCC. **JB** (2,1) 1 Jackson, Dandytweed Lily The Pink - this girl's coat was gleaming, fabulous condition. Ok in the head department, I liked her well used ears. Wedged shaped head. Clean dentition. Good neck into well laid shoulders. Ok topline, low set tail. Correct coat markings. Moved with ease. **LB** (5) 1 Goodfellow, Nasabe Royal Rose Airambech - a very typey girl and one that was in my mind when it came to the big green cards. Excellent well balanced outline. Her head is feminine, wedged shaped with high set ears. Her eyes are dark and set correctly. Super arched neck leading to sound shoulders. She has a compact body with desired slight curve from behind the shoulders to her loin. Her tail is low set and she carries it correctly on the move. She moves so parallel in both directions, reaching in front and driving from the rear. Shown in wonderful coat and condition. 2 Inch, & Inch, Edalene Scoops Ahoy - Good quality head, correct length with tapering muzzle. Dark almond shaped eyes that sparkled in the sun. High set ears that she used really well. I liked her neck and shapely body with correct low set tail. She has a sound front and rear. Moved out freely. Lovely rich tan but could have more pencilling. Well handled and beautifully presented. 3 Love, Lasagesse Whole Lotta Love With Tettoy JW **OB** (5,1) 1 Dixon, & Dixon, Lasagesse Kashmir JW - BCC. 18 months. This girl has a super silhouette, even though she is of a larger make. Her movement is a joy to watch, ultra sound from both directions and with that desired extended trot. She is shown in first class condition, cracking rich tan with good pencilling. Her black coat was shining like a new pin! Long narrow wedged head with dark almond shaped eyes giving us that alert expression! Fabulous neck leads to sound shoulders. Her rear is well angulated with strong muscle tone. She definitely has a working look about her and i bet she would enjoy meeting a few rats! 2 Haffenden, & Wood, Ch Nasabe Play The Game JW ShCEx - smaller than 1st, but a little heavier in body. Loved her typey head, darkest of eyes and cracking ears. Her muzzle is long, strong with good underjaw. Shapely compact body with low set tail. Excellet front and rear. Shown in hard muscular condition. Stylish mover from every angle. As always from this handler, handled to perfection. 3 Inch, & Inch, Edalene Court And Spark JW ShCEx OSW

Judges Critique : Mr N Gourley

I must start by thanking the Officers and Committee for the opportunity judge the breed that my partner and I have dedicated our lives to for a quarter of a century. ETT's that we have owned and bred have enjoyed success at every level within the breed show community and the wider all-breed show community alike. Over 50 Champions, 10 Championship Show Toy Group Winners and still the only General Championship Show 'Best in Show' award winning ETT's have carried our Witchstone kennel name. We remain as committed to the breed now as we have ever been and are keen to see the breed prosper and strengthen even further in the years ahead.

We have seen friends and foes come and go and have heard every story and conspiracy theory in the book. It seems this appointment was no different. I would like to address the ringside speculation after this, my 7th time awarding CC's in the breed, and put that firmly to bed.

When I step into the ring as a judge my job is to evaluate the dogs presented before me against the breed standard. Where you get placed in a class reflects how I believe your dog's 'breed standard' virtues rank against the others in the class, on the day. The same applies when it comes to choosing my CC and RCC winner. If you were called back in to challenge for the RCC then I can assure you I was seriously considering your dog for the RCC; that is the only reason I would ever call you back in. Any suggestion otherwise is churlish and quite frankly disrespectful.

My love and commitment to this breed, my integrity and my honesty as a judge have always been paramount. Who bred your dog, who you are friends with, your involvement with The Royal Kennel Club (in any capacity), when you are next judging or whether you are 'in' with the current 'in crowd' will have no bearing on how I assess your dogs. It is with that frame of reference that I assessed the 37 ETT's present against the breed standard.

Thank you to each and every one of you who valued my opinion enough to enter the show. We recently returned from judging in Finland where you are required to critique and grade every dog 'live' in front of the exhibitor. The critique is then immediately emailed to the exhibitor with confirmation of their grading. Whilst I have only critiqued the first two dogs in each class you only have to ask if you would like me to verbally critique your dog. Please feel free to ask me and I will give you my honest opinion. I hope my critiques help explain exactly why the class winners won and stop any further silly speculations over the results.

To my steward, Pat Hallam, I am most grateful. Pat is such an efficient steward. He was a great support as well as good company. Thank goodness for Pat as our ring was running behind schedule and he was working 'solo'.

VD (2,0) 1st HOWARD, Mrs Cecilia Margaret & HOWARD, Mr Donald Lasagesse
Supersonic. Only just qualified for his bus pass and looking a picture of health for his age. He has a very typical breed outline which deserves greater appreciation. Long narrow wedge with slightly domed skull and super dark almond shape eyes. His ears are set high. Big teeth and good dentition. Plenty of strength to his underjaw. Slight arch to his neck. Compact in body with long rib cage and short loin. Gentle curve to his top line and well angled croup with low set tail. Super black shiny jacket and rich tans with well-defined thumbprints. Moves away parallel and has good footfall in profile. Crossing front legs slightly coming

towards. Just lacks a little animation and pace on the move. For BVIB he was just out-moved by the impressive side gait of the Veteran Bitch and I preferred her flatter skull. 2nd KIRTON, Mrs Christine Wykewoks Black Knight Tarot. 8.5 years old and still keen and alert. An ideal size, lovely and compact in body with the correct gentle curve to his top line and a low set tail. A shorter wedge-shaped head with a flat skull. High set candle flame shaped ears which he used at all times. Shows strength to his muzzle but lost quite a few teeth. Dark, almond shaped eyes. Thick, black coat. Brights tans. Lacks definition of thumbprints and some breaching on his second thigh. Moving away a little wide behind and front legs crossing towards.

PD (1,0) 1st PARTINGTON-PALMER, Mrs C & PALMER, Mr Leslie Roy Winsome Flames Aussie Gold (imp Swe). A well-conditioned 7 month old with the shortest thick black coat and his bright, paler tans create obvious definition but only a few black hairs at the moment as opposed to the desired defined black thumbprints. His head is still developing and skull a little domed but it is long and narrow and he has a strong underjaw. Excellent dentition with big strong teeth and a scissor bite. His ears are set high on his head. Eyes are dark and could be a little more almond in shape. His chest still needs to drop and he should finish with a compact body. At the moment, he is not as compact as he should be and has a very slight dip in his top line. His tail is set low and carried nicely. He has a straight front, well laid shoulders and good bend of stifle moves with drive and with good reach in front although a little close going away.

JD (1,0) 1st PENDLEBURY, Mrs C Ettology Small Gods Of Pendlethrine. This correct sized young dog is full of breed type and makes an unmistakable ETT silhouette stood. Not the longest wedge but well balanced. He has a fabulous keen expression and was really on his toes and 'up for it'. Small, wicked almond shaped eyes. Super candle flame shaped ears set high on his flat skull. Slight arch to his neck and a perfect gentle curve to his top line with a low tail set. Compact in body. Ideally, he would have a little more angulation to his front and hindquarters but everything is balanced. He is really parallel going away and coming towards. Moves swiftly for his size with accurate footfall but lacks 'reach' and 'drive' in side gait. Black shiny jacket lacking hair on his throat, rich tans and very well-defined thumb prints. needs to carry more weight to cover those pin bones.

PGD (2,0) 1st OAKDEN, Mr Anthony & CONWAY, Mr Paul Spawood Hey Mickey. Although an 18 month older 'teenager' this dog has matured early and really looked the looks very much the finished article. His silhouette is so typically ETT – no mistaking that at all. He is an ideal size and so well balanced all through. His head is a clean wedge shape with good fill under his dark almond shape eyes. Length of muzzle and skull matching with slight stop. Really flat skull with candle flame shaped ears set right on top and used well to support a very alert expression. Coat was gleaming and his tans nice and rich with clearly defined although 'light touch' thumbprints and obvious pencilling. He is short-coupled and could turn on a six-pence. Particularly impressive over the croup where his pelvis is well angled and his tail low set. As such, his top line is a perfect gentle curve. Straight front legs with elbows close to his deep brisket. Good bend of stifle and low hocks. Moved with a brisk confident pace with drive from behind and good reach in front. Very parallel going away and back towards. At times he insisted on looking adoringly up at his handler which effects unsettles his front on the move. But 'made right he moves right'. 2nd FIERS, Mrs J & Mr P Lokeren Brooks Yonas. Another very smart young man coming up for two and with lots of virtues on show. He has a beautiful long narrow wedge-shaped head with strength to his underjaw.

Really attractive small , dark almond shaped eyes. Flat skull and nicely shaped ears which juts carried a little low. If they were right on top of his head he would have a more alert expression. Elegant neck with slight arch; perfect for shaking rats. Good length of rib but a little longer in loin so not as compact as the winner. Even though longer cast he still has a well-rounded rump and good bend of stifle; his tail is set and carried low. Matching angulation of his fore and hind quarters produced accurate foot fall in side guide and neat parallel movement away and back. Short, jet black coat with bright tans and well-defined thumbprints.

LD (3,0) 1st DIXON, Mrs Lisa Jane & DIXON, Mr Graeme Lasagesse Dazed N'confused. Just out of Junior and a clear winner here. Mature and upstanding for his age. In first class order in terms of coat condition and muscle tone. A slightly larger framed dog which takes nothing away from his overall elegant outline. He has an alert expression created by small dark almond shaped eyes and his high set candle flame ears. Long clean wedge showing strength to his under jaw. Stood, he has a very slight curve to his top line but he is a fraction longer in loin than ideal so this does flatten on the move. Would like him a little steeper in croup with a better fall-off and a lower set tail. Well angulated forequarters but slightly straighter in stifle as such he has more reach in front than he does drive from the rear. Tail carried high on the move at all times which detracts. Short, thick, shiny black jacket, rich tan points and clearly defined thumbprints. 2nd HOWARD, Mrs Cecilia Margaret & HOWARD, Mr Donald Lasagesse Jumpin Jack Flash. A real Terrier in terms of his attitude and fit condition. I awarded his sire the CC back in 2019 but this chap doesn't have the virtues of his father. He certainly looks like he could dispatch a rat or two with ease with his powerful muzzle and strong neck. His large head is a definite wedge shape with a much wider back skull and larger, pale eyes than required. His top line is flatter especially on the move. He has a short, black, shiny coat and rich tan markings in all the right places. His thumbprints are obvious but have now started to run. He moved steadily but not the drive or reach required for an extended trot. 3rd REEVE, Mrs P Galvizach Royal Emerald

OD (7,0) A class full of quality with plenty more than worthy of their Champion titles but quite varying in style. Lots of breed typical attributes. As always, I had to prioritise and re-prioritise the breed typical virtues when ranking a class of this quality. Some dogs did not move as well as I have seen them move in the past and I could honestly have them in a different order on a different day but today 1st was PARTINGTON-PALMER, Mrs C & PALMER, Mr Leslie Roy Etruria Hear The Word. We don't 'paint the house' until the house is 'built' to our satisfaction so I would be doing this dog an injustice to make his brighter, paler tans and his very light thumb mark (if you look very closely) a huge issue – this house has been well built. There is very little I would change with the rest especially his breed typical outline. I loved his balanced wedge-shaped head with a flat skull and super candle-flamed shape ears and those small, dark almond eyes set obliquely on his head. Big, healthy teeth and strong jaw. Very elegant in neck with slight arch and the correct slight curve to his top line. Long in rib and short in loin falling over the croup to a low set tail. Moves really parallel away and back and with accurate footfall in side gait. Stepped up a gear in the challenge when handled by his breeder and moved at the pace associated with an extended trot to really force a close decision. In the end the rich tans and clear thumbprints of the Dog CC winner really were the deciding factor. His Champion title will come I am sure. 2nd IMRIE, Mrs W Norris Ch Amalric Butch Cassidy JW. This young dog takes after his famous father in terms of being the perfect breed typical silhouette stood. Looking as fit as a flea' with the shiniest black coat and visible muscle tone and such a happy dog. A little heavier boned than the winner but absolutely in proportion to his body. Lovely and compact in body

with well sprung ribs, deep chest and conditioned well-rounded loin. His top-line is textbook with a gentle curve from withers over the pin bones and falling well over the croup. Tight feet and short nails. Low hocks and well-muscled thighs. His head has strength and jaw looks powerful. Really alert expression with ears high on top of his head and almond shaped eyes. He was a bit too enthusiastic on the move today so not going so parallel away and back. Looked much better in-side gait with balanced foot fall. Carrying his tail a little higher than ideal today on the move. 3rd FORSYTHE, Mr Richard & PEVY, Mr Ryan Ch Kikuchi Hollywood Avec Richpin JW. A worthy Champion who has real ring presence and was shown in mint condition. He has a great rapport with his handler who expertly presents his dog's many virtues both stood and on the move.

VB (4,0) 1st FIERS, Mrs J & Mr P Thalcyon Springtime Star. She is 11 years old now and is still one of the best movers. She's a bigger bitch but fine and elegant in bone and body and full of breed type. She has a long stride with reach in front, drive from her low hocks and well bent stifle and accurate footfall in-side gait. She is still totally sound away and back. She has a lovely deep chest and a long rib cage. Although she could be a shorter in loin she has a correctly angled pelvis which gives her full off over the croup and a low set tail which she carries following the shape of her hind legs. She has a beautiful long narrow wedge with almond eyes which could be darker in colour. Her ears are candle flamed shape and set high on her flat skull. Her coat is in super condition. Her tans are paler now all over. Her thumbprints have real clarity and there is obvious pencilling. Delighted to award her BVIB. She was the Puppy Group Winner here at Darlington a decade ago. 2nd EVISON, Mr Liam Ch Winter Star At Kikuchi JW. Such a worthy Champion for her overall breed type, her size and her perfect silhouette stood. Still has a very short and compact body with a really deep chest and well sprung ribs. As a fellow 'retiree' I know only too well how difficult it is to keep definition to one's waist and Winter Star lacked definition in her loin. She has a long narrow wedge with small dark almond shaped eyes and ears of a size to balance set and carried high on her head. In profile she shows real reach and drive and due to her well angulated fore quarters and the matching angulation of her well bent stifle and the strength of her low hocks. Not so tidy going away and a little wider in front coming towards. 3rd KIRTON, Mrs Christine Wykewoks Serenity Success

PB (2,0) 1st HAFFENDEN, Mrs Hazel & WOOD, Mr Jack Nasabe Strikes Again. A beautiful bitch puppy for size and overall shape both stood and on the move. She is alert and confident with a real wicked look in her eye. Loved her attitude and expression. Her head is correctly balanced. Her eyes are small, really dark and almond shaped. Her ears are set perfectly high on top of her head and a lovely candle flame shape. She is very slightly overshot and she needs more strength to her underjaw but I certainly believe she could catch, hold and dispatch a rat; one whip of that elegant neck and it would be job done. I liked her fine bone and her overall outline. In the finer detail I could have her half an inch shorter in her loin. Really impresses on the move with reach in front and drive from behind from her well bent stifles and low hocks. As such, she has very balanced, accurate footfall. Lovely and sound away and back. Rich tans, shortest black shiny coat and obvious but fainter thumbprints that have run slightly. BPIB. 2nd MARSDEN, Mrs Clare Regalriver Big Bad She Wolf. Immediately appealed for her overall elegance and curvaceous shape. She is plenty tall enough at just 6 months of age but without any hint of coarseness whatsoever. I loved the quality of the head on this very pretty minor puppy making her show debut. She has a long narrow head with tall, candle flamed shaped ears to balance set right on top of her flat skull. Her eyes are of an almond shape but need to be a darker colour. Strength to her chin and good dentition with correct scissor bite. Very elegant, 'whippy' neck into well laid shoulders. Her chest still needs to drop fully but nice and long in rib. Her top line is developing well and will finish nicely once that chest drops. Moves very parallel away and back. Just needs a little

more confidence in side gait to move a little faster and show her ability to reach and drive. Her coat is short and shiny, her tans are rich and thumb prints very well defined.

JB (2,0) It was obvious that these two were litter sisters as soon as they stepped in to the ring. Absolute peas out of the preverbal pod. Both the correct size and appealed for the overall compact shape. Their heads are almost identical. A smaller wedge that would benefit from a little wider, flatter back skull. Slightly domed between their small, high set candle flamed shaped ears. They both have really dark almond eyes which are a little straight set as opposed to obliquely set. Both have gentle curve to their top line with rounded rump and low set tail. They both move parallel away and back. They have well angulated forequarters but are straighter in stifle. As such, in side gait, they are lower at the withers than they are at the pin bones. 1st KIRTON, Mrs Christine Wykewoks Megga Dawn. Headed her sister with slightly better top line and overall shape on the move. 2nd PENDLEBURY, Mrs C Wykewoks Autumnal Sunsetta Of Pendlethrine.

PGB (4,0) 1st DEAN-ARMITT, Mrs Sarah Jane Twowayshouse Touch Of Class. I have always admired this bitch for her overall elegance and style. When you see her stood she flows from the tip of her nose, her long narrow wedge along her back to her well-rounded rump and low set tail. She is not the smallest from a height perspective but is nonetheless a beautiful bitch. Her eyes are a small, almond shape but could be darker in colour. Her ears are quite big and could be stronger but today they were held high and held their, often elusive, traditional candle shape with a slight flicker at the tip. Her neck has a slight arch and flows into well laid shoulders. She is nice and long in rib cage with a deep chest but longer in loin than ideal so can look a little flat in top line especially on the move. She is so very sound and has such balanced angulation of her front and hind quarters, she moves with a lovely long stride and the pace of an extended trot. 2nd KIRTON, Mrs Christine Wykewoks Solar Happiness. Nearly in her Veteran years and still very sprightly and so very sound on the move. An ideal size and compact in shape with deep chest, long rib cage and short loin. Really shapely over her hindquarters with a lovely low set tail. Her head is a shorter wedge showing strength to her jaw. Eyes are dark but a little round in shape. Strong ears held high on her head and the shape of a candle flame. Coat is short and sleek and has good muscle tone. Her tans are still rich but her thumbprints have faded. Moved with some drive and parallel away and back. 3rd MARSDEN, Mrs Clare Galvizach Royal Amethyst Of Regalriver

LB (5,0) The first three in this class all present a beautiful silhouette stood and absolutely scream ETT. 1st GREEN, Miss Angela Three Times A Lady. Makes a really impressive shape stood; perfectly balanced body proportions, angulation fore and aft and head to muzzle ratio. Loved her long narrow wedge-shaped head with fill under her eyes, flat skull and strength to her jaw with big, strong teeth and full dentition. Ears are set high on her head and are really firm and erect. Small dark almond eye giving alert expression. Compact, deep in chest and long in rib with a well-developed loin. Falls well off her croup to a low set tail which she carries low on the move making a typical outline. She is so very sound going away showing real strength to her low hocks and absolutely parallel coming towards. Very accurate footfall in side gait with a stride and pace akin to an extended trot. In fit condition with visible muscle tone and a shiny black jacket. Bright tans which could be richer in colour but real clarity between black and tan and perfect definition to her thumbprints and pencilling. RCC. 2nd HALL, Ms Dawn & OAKDEN, Mr Anthony Spawood Proud Mary With Ghilgrange JW. Such a shapely bitch with a series of gentle curves; on the taller side but fine boned and elegant. Another that presents a very balanced overall picture. Long narrow

wedge-shaped head with a flat skull and strength to her muzzle. Almond eyes which could be darker in colour. Super high set ears set high and used at all times to create a really alert expression. Her ears are a very traditional candle flamed shape. Elegant neck with slight crest and really well angulated fore quarters and matching angulation of her hind quarters. Her top line is exactly right with a gentle curve falling again over her croup and a low set tail which she carries down following the line of her hind legs. Moved with a real flow and freedom in side gait with accurate footfall. Just a little narrow behind going away but nice straight front coming towards. 3rd GOODFELLOW, Mrs Maria Nasabe Royal Rose Airambech

OB (6,1)1st HAFFENDEN, Mrs Hazel & WOOD, Mr Jack Ch Nasabe Play The Game JW ShCEX. A beautiful example of the breed and a real 'Toy Terrier'. Balanced all through with a super head and the very best expression. She is good for size and so elegant with fine boned legs and Alert at all times with her perfect candle flame shaped ears showing strength and set right on top of her flat skull. She has strength to her underjaw and clean strong teeth. The best eyes; small, dark and almond-shaped set obliquely on her head with an extra sparkle. She is an ideal size and typical compact shape with deep chest, long rib cage and short loin supporting the gentle curve to her topline which falls perfectly off the croup to her low set tail. She could twist and turn with the best of them especially given her muscle tone, her neat feet and her strong well let down hocks. Moves with real drive and shows good extension in front. Accurate foot fall in side gait where she moves with great freedom and the pace of an extended trot. CC & BOB.

2nd DIXON, Mrs Lisa Jane & DIXON, Mr Graeme Lasagesse Kashmir JW. A much more substantial bitch just turning 19 months and more Terrier than Toy Terrier particularly in head. She presents a very typical breed silhouette stood. She has a long head with a powerful jaw and big strong teeth with perfect scissor bite – it would certainly be a punishing bite and would dispatch vermin easily. Her eyes are almond shape and dark giving her a wicked expression. Her ears appear larger but are lovely and firm, are balanced to her length of head and are held high on her flat skull. She is broader in skull making her head look more masculine than my two principle winners. Slight arch to her neck flowing into well laid shoulders. Straight front legs and tight feet with neat nails. Deep brisket and long rib cage. Could have a little less length in her loin and as such she does flatten her top line on the move. She has strong hind quarters with obvious muscle tone. Tail is set and carried low. Her footfall was balanced and accurate in side gait showing drive from behind and reach in front. Parallel away and back. Tans are rich and thumbprints and pencilling well defined. Immaculate, short black coat shining like a piece of wet coal. Considered for the RCC but I preferred the CC and RCC winner's size and head proportions. 3rd FIERS, Mrs J & Mr P Lokeren Abba Agnetha. My RCC winner from Crufts 3 years ago and still has so many of the breed standard virtues required for a Champion title. Such an elegant lady and a perfect ETT silhouette stood. Just showing a few signs of her age now but a beautiful bitch.
